## March 2019

### MONTHLY NEWS FOR AND ABOUT OUR CONGREGATION

Dear Westminster Friends,

This month I will begin a new series of articles on another vital component of practicing our faith. Along with worship, we know that there are many other things that we should commit to doing which will improve our discipleship. What I will address now is the matter of intentional and consistent fellowship with one another.

**PASTOR CHUCK LEGVOLD**

Bluntly, it should be obvious to us that our faith is all about relationships. Jesus gave His life so that we could be restored in our relationship to the Father. He desired to have intimate friendships with His disciples. He sent the Holy Spirit so that we would not be alone—a relational connection! God is all about relationships. From His desire to be in communion with Adam, to His understanding that Adam needed to have someone just like him in the created world, to the founding of families and churches, God shows us just how important relationships are.

The problem that all of us have as human beings is that, due to the original sin of pride, we naturally want all relationships to revolve around us, to inspire us, and to meet our needs. That desire to be at the center of all things is damaging to healthy relationships as God has defined them. We have to choose to get outside of ourselves and enter into human relationships where the other person is the focus of our attention. This is a demonstration of the selfless kind of love that the Bible tells us God has for us.

There are two commitments which I believe will help us to procure, affirm, and continue in healthy relationships in the church; these things are foundational to our fellowship. The first is the commitment to be present to and for one another. It is impossible for us to maintain and grow healthy fellowship if we cannot be physically together on a regular basis. Certainly our weekly time of corporate worship is a way in which this commitment can be promoted, but there needs to be much more. Being a part of a Life Group is likely the best way to learn to be present with another group of disciples, but taking advantage of other fellowship opportunities is also helpful.

The second commitment is to communication, which involves something we don't like to do: listening to one another. In our culture, even when we appear to be listening to another person, we are usually formulating a response as they are speaking. That's neither helpful nor profitable for the fellowship of the church. We need to be even more adept at listening than we are at speaking.

I'll address these two commitments further next month.

Relationally,

Pastor Chuck

## A Little Help, please.

### I can't hear.

If this describes you, at any time (we all get stuffy heads once in a while), PLEASE talk to an usher or check with the sound board operator. We have a system that will help you to hear better.

### No excuses!

Miss a Sermon? We all have to be away occasionally, but that is no excuse to miss the sermon. Not sure just what the sermon was (distraction happens once in a while). There are two, count 'em, two ways to get a past sermon:

1. CDs of our worship services are available in the church office. Sermons for the last 12 months are on file. We ask a \$1 donation to help offset the costs of producing the discs.
2. On the church website, [www.wpc10.org](http://www.wpc10.org), click on the Worship tab and scroll down. You will find audio recordings of the last couple of months sermons available to listen or download.

If you need assistance with either of these methods, contact Tom Westerfield.

## WPC LAY WORSHIP LEADER TRAINING

Pastor Chuck will lead training for Lay Worship Leaders on Saturday, March 9, at 10:00 AM in the West Conference Room. Anyone who wishes to become a Lay Worship Leader needs to attend this training, and current participants are encouraged to attend as new directions will be shared. Please register your attendance by contacting the church office, or by emailing Pastor Chuck at [pastorchuck@wpc10.org](mailto:pastorchuck@wpc10.org).

## WPC MOVIE NIGHT

### I Can Only Imagine

The inspiring and unknown true story behind Mercy Me's beloved, chart topping song that brings ultimate hope to so many is a gripping reminder of the power of true forgiveness.

Popcorn will be provided.

## LIFE Group Update: Good News

Judy Rhoads – Deacon of LIFE Group Ministry

The **LIFE Group Ministry** is pleased to announce the start of our 7th **LIFE Group** within the next couple of months. Maggie Ayers, a new Covenant Partner at Westminster Presbyterian Church, is looking forward to leading this group and wants those of you not presently in a **LIFE Group** to consider being a part of hers.

If you haven't already met Maggie, let me introduce you to her through the following interview.

**Judy: From where did you move, and why did you move to Aurora?**

**Maggie:** My move from northern Illinois, Spring Grove, to Sugar Grove, Illinois, (Yes, from one Grove to another) was made in the fall of 2016 following a life-changing personal event. The Aurora area is close to my youngest son and his family, and it is so nice to have a short drive for family get-togethers.

**Judy: How did you come to know of Westminster Presbyterian Church?**

**Maggie:** As a new member of the Sugar Grove community, I attended many local events, one of which was a Pancake Breakfast and Silent Auction sponsored by the Sugar Grove Library. After bidding on several silent auction items and loading my plate, I looked for a place to enjoy the pancakes. As it would happen, Lou and Phyllis Jacobs had a chair open at their table and asked me to join them. We chatted about the challenges of moving to a new community. When the topic of attending church came up, the Jacobs' invited me to join them at Westminster. I have been taught when you are invited to dance, you dance. It was the Jacobs' invitation that led my way to Westminster, where I immediately felt at home.

**Judy: I know you have two sons, Nathan and Brandon. Are they both living in the Aurora area?**

**Maggie:** Nate works and lives in Marengo, IL, with his partner Morgan and three high-energy children: Zach, Alexis and Ava. Brandon and Giana live in Aurora, where Brandon works as a lawyer and Giana as a Transition and Vocational Counselor.

**Judy: Have you led adult groups before? If so, when and where?**

**Maggie:** Previous memberships at the United Methodist Church in Rochester, Minnesota, and then at the Lutheran Church of All Saints in Fox Lake, Illinois, provided various opportunities for involvement in church activities. I have participated in Women's Groups (much like our Martha and Esther Circles), taught Sunday School and volunteered for *Visits to the Elderly* and participated in other church events that usually included food. With a background in education and science (I taught high school and worked at the Mayo Clinic

while living in Rochester, MN.), combined with my current work in global drug research, I have led and participated in adult team and group activities.

**Judy: Why did you decide you wanted to be a LIFE Group leader?**

**Maggie:** As I became oriented to Westminster events and groups, I joined Martha Circle and heard about **LIFE Groups**. My thought was that participation in a **LIFE Group** would be a good opportunity to further become involved in church activities and would foster more interaction with other Covenant Partners. During the summer months, when **LIFE Group** members wore their red shirts, I was spurred to join a group. Within the same time frame, Judy Rhoads approached me and asked if I would be interested in starting a 7th **LIFE Group**. And.....when you are asked to dance, you dance! I am honored and blessed to have this opportunity.

**Judy: What is the official name of your present job? For whom do you work?**

**Maggie:** My current title is Senior Director, Clinical Trials Management. My responsibilities include the oversight of pharmaceutical drug research activities in a global environment. I recently transitioned from Astellas Pharma (based in Deerfield, IL) to a really fantastic company named ICON, plc, which is a global provider of outsourced development services to the pharmaceutical, biotechnology and medical device industries.

*LIFE Group #7:*  
**Questions and Answers**  
Judy Rhoads – Deacon of LIFE Group Ministry

As previously stated in this newsletter, Maggie Ayers is looking forward to leading **LIFE Group #7**. She extends a warm welcome to you to join her as **LIFE Group #7** focuses on the 3 S's: Spiritual Growth, Supportive Relationships and Service to Others.

You may, on occasion, have thought about WPC's **LIFE Group Ministry** but, perhaps, pushed the thought aside. Your life is plenty busy already. Right?! You may be feeling you just don't know enough about how participation in a **LIFE Group** might impact or effect your life.

Hopefully, the following common questions and answers will help move you closer to connecting with Maggie and making a commitment to be in **LIFE Group #7**.

**Q: How much of my time will participation in a LIFE take?**

**A:** That depends. On average, most groups meet two times a month for two or three hours, including refreshments. So, let's say 5 hours out of the 720 hours in a 30-day month.

**Q: Will there be homework? If so, how much?**

**A:** Maybe a little. This will depend upon what your group chooses to study. Some studies have a discussion guide for each participant. Often Bible scripture for the next meeting is assigned. My observation, however, has been the lesson content is reread and discussed during the meeting. If you have had a busy week, and didn't have time to prepare, you won't be lost.

**Q: Am I going to have to talk, or can I sit and listen during the meetings?**

**A:** Part of the **LIFE Group** experience is to develop a level of comfort that allows you to respond willingly when you have something to add to the conversation. No one, however, HAS to talk.

**Q: Will I have to pray out loud?**

**A:** Not unless you feel led to do so. Our **LIFE Group** leaders do not pressure participants to pray out loud. Sometimes, I do. Sometimes, I don't. I have spent time with all six groups and have never felt the expectation that I **HAD** to pray out loud.

**Q: Who else is going to be in LIFE Group #7?**

**A:** I really don't know. This will depend upon whose hearts are touched by Jesus about making a commitment to participate in this **LIFE Group #7** opportunity. Will it be you?

**Q: How much do I have to know about the Bible? I am concerned my Bible knowledge may be lacking.**

**A:** One of the purposes of being a part of a **LIFE Group** is to gain Bible knowledge. An individual goal for each participant is to leave each **LIFE Group** meeting with a greater understanding of the Bible than when he/she arrived.

**Q: How many weeks or months will participation in a LIFE Group last?**

**A:** Your **LIFE Group** will discuss all of the possible options, and you will be a part of this decision.

**Q: If I don't like it, can I drop out without others being angry with me?**

**A:** No one signs a contract saying they cannot leave their **LIFE Group**. You will, however, be surprised how much you will enjoy the new relationships you will develop. If something isn't working for you, be open about it. Maybe others are feeling exactly the same way.

## WPC BOOK CLUB

We will meet on **March 19<sup>th</sup>, 1:30 PM** in the West Conference Room.

The book for this month is *Only Child* by Rhiannon Navin.

*"Sometimes the littlest bodies hold the biggest hearts and the quietest voices speak the loudest"*

Squeezed into a coat closet with his classmates and teacher, first grader Zach Taylor can hear gunshots ringing through the halls of his school. A gunman has entered the building, taking nineteen lives and irrevocably changing the very fabric of this close-knit community. While Zach's mother pursues a quest for justice against the shooter's parents, holding them responsible for their son's actions, Zach retreats into his super-secret hideout and loses himself in a world of books and art. Armed with his newfound understanding, and with the optimism and stubbornness only a child could have, Zach sets out on a captivating journey towards healing and forgiveness, determined to help the adults in his life rediscover the universal truths of love and compassion needed to pull them through their darkest hours.

## UPCOMING PROGRAM OPTIONS FOR SENIOR LIVING

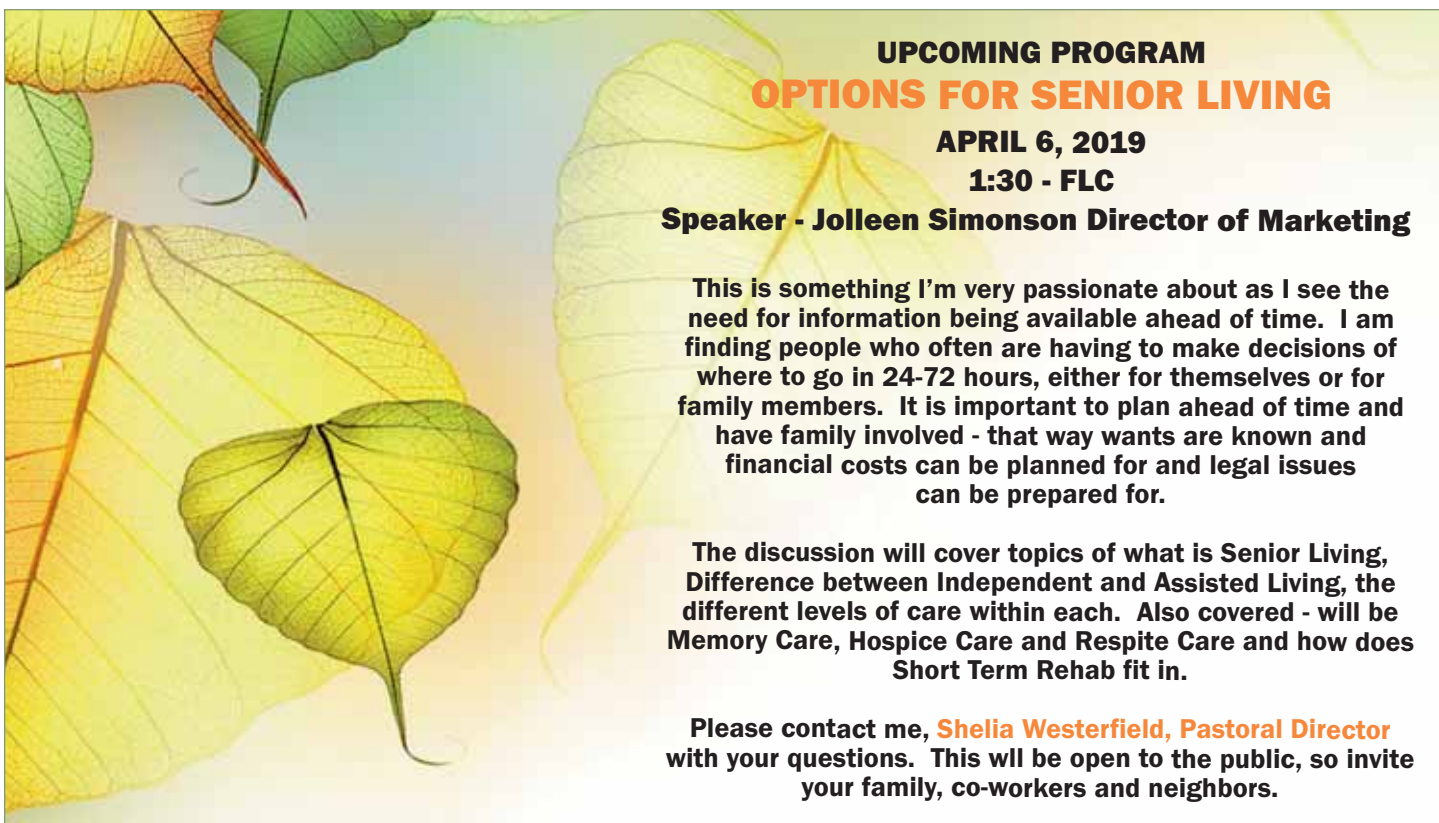

**APRIL 6, 2019**  
**1:30 - FLC**

**Speaker - Jolleen Simonson Director of Marketing**

This is something I'm very passionate about as I see the need for information being available ahead of time. I am finding people who often are having to make decisions of where to go in 24-72 hours, either for themselves or for family members. It is important to plan ahead of time and have family involved - that way wants are known and financial costs can be planned for and legal issues can be prepared for.

The discussion will cover topics of what is Senior Living, Difference between Independent and Assisted Living, the different levels of care within each. Also covered - will be Memory Care, Hospice Care and Respite Care and how does Short Term Rehab fit in.

Please contact me, **Shelia Westerfield, Pastoral Director** with your questions. This will be open to the public, so invite your family, co-workers and neighbors.

## BEING REAL WITH GOD

As I bow my head, close my eyes, lace my fingers together and begin to pray, “Dear Lord I’m coming to you today as your child. I recognize your power and goodness...” Suddenly my eyes snap open and I remember that I haven’t taken the chicken out of the freezer for dinner, did I really put the recycling bin out on the curb, will I be able to get out of my driveway because I’m sure the snow plow has blocked me in, and on and on. Why am I so distracted when I pray???

C.S. Lewis wrote about those distractions during prayer in *The Screwtape Letters*. He noted that when our minds wander, we tend to use our own willpower to steer ourselves back to our original prayer. Lewis concluded,

though, that it was better to accept “the distraction of our present problem and lay it before God and make it the main theme of that particular prayer.”

A persistent or even a sinful thought that disrupts a prayer may become the centerpiece of our discussion with God. God wants us to **be real** as we talk with Him and open up about our deepest concerns, fears, and struggles. He is not surprised by anything we mention. His interest in us is like the attention we would receive from a close friend. That’s why we’re encouraged to give all of worries and cares to God—because He cares for us. (1 Peter 5:7).

## Men’s Flourishing Discipleship Group Announcement

Are you a man of God, committed to the Westminster family, and seeking to be more like Jesus?

Are you willing to make a year-long commitment to learn and practice what it means to be a Flourishing Disciple?

Are you serious about your relationship with Jesus, want to know how to grow deeper into it, and desire to see those around you come to faith in Christ?

Pastor Chuck is looking for Westminster men to start a new kind of small group, intended to dive deep into our discipleship, and seeking the life that Jesus desires for us all.

If this speaks to your heart, or even peaks your interest, contact Pastor Chuck personally, or by email ([pastorchuck@wpc10.org](mailto:pastorchuck@wpc10.org)), and he will provide you with a detailed list of commitments and expectations, after which you can make an informed choice about being a part of this initial group of 4 to 7 men.

We are looking to launch shortly after Easter, so make this contact soon!

## FEED MY STARVING CHILDREN

Our Life Group will be participating in a service project at FEED MY STARVING CHILDREN located at 555 Exchange Court in Aurora on **THURSDAY, MARCH 7th, 2:30 – 4:40 PM**. We invite all members of the congregation to join us in this service project. Our team of volunteers will be packing dry food items that will be shipped to areas throughout the world where there is a need for food.

A sign-up sheet is posted in the hallway outside the choir room. We have reservations for twenty (20) volunteers, but can accommodate more if necessary. This is an opportunity for our congregation to work together, and partner again with this organization to feed God’s starving children, hungry in body and spirit.

*“A generous person will prosper; whoever refreshes others will be refreshed.” Proverbs 11:25.*

On February 16, about 30 people from Westminster met in the Family Life Center for a game night and macaroni and cheese bar. We had a great time playing games and getting to know each other better. Thank you to **Julie Bromann, Jenny Drury, Carol Michels, Kristy Szmanski,** and **Kerry Proczko** for making macaroni and cheese.
